DETAILED ACTION

Claim Rejections - 35 USC § 102 and 103

1. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
2. Claims 1-5, 7 and 8 are rejected under 35 U.S.C. 102(b) as being anticipated by U.S. Patent Number 1,579,367 (Hymer).

Regarding claims 1-5, 7 and 8, Figures 1-3 of Hymer show a figurine whose arms and legs correspond to the recited four extremities and are considered to be inherently capable of being arranged such that they are spaced approximately equiangularly from one another. As the arms and legs are jointed and feely rotatable, they allow for tripod support of the figurine in different orientations, either with each other in combination with the head.

3. Claims 11-13 are rejected under 35 U.S.C. 103(a) as being unpatentable over Hymer.

Regarding claims 11 and 12, toy figurines are old and well-known in the art to be made from metal, plastic or rubber.

Regarding claim 13, it is also old and well-known in the art to manufacture a plurality of toy figurines and sell them in sets.

Response to Arguments

4. Applicant's arguments with respect to claim 1 have been considered but are moot in view of the new ground(s) of rejection.

Allowable Subject Matter

5. Claim 6 is objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

6. Claims 10, 15 and 16 are allowed.

Conclusion

7. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened

statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
